Cosmo Films is committed to providing eco-friendly and sustainable solutions. Focused heavily on research and development, we strive to make innovative products that are sustainable and non-toxic, while still being extremely effective.

Exploring the Boundless Possibilities: Diving into DTP Films and PET G Films

Welcome to the August and September editions of Cosmo Films' newsletter. Today, we will explore the incredible potential of two of our outstanding products: DTP Films and PET G Films. In a previous edition of Flexible Talks, we highlighted the remarkable versatility of Flexible Packaging Films. Today, we invite you to join us as we dive deeper into the world of DTP Films, a pivotal component of our industry, and explore its myriad applications and incredible benefits.

Cosmo PET-G Films have quickly become the preferred choice in the packaging industry due to their extraordinary versatility and ability to adapt to different sectors. Let's explore the various product applications that can be achieved through the innovative use of DTP Films and PET G Films.

Shaping future trends, Cosmo Films showcases new and innovative products at domestic and international exhibitions (Label Expo, Pack Expo, ANUTEC and IICE)

New Delhi, August XX, 2023: Cosmo Films, a global leader in speciality films has announced its participation in four prominent trade shows in the label and packaging industry. The company will exhibit at **Label Expo, Brussels** from 11-14 September 2023, **Pack Expo, Las Vegas** from 11 -13 September 2023, **ANUTEC, Mumbai** from 7-9 September 2023, and **IICE, Kolkata** from 13-15 September 2023 highlighting its latest product offerings and industry-leading innovations.

These exhibitions provide a platform for Cosmo Films to display its innovative solutions that are reshaping the packaging industry. With a focus on sustainability and cutting-edge advancements, Cosmo Films will showcase how its products are creating a global impact across various sectors.

Sharing his thoughts on the same, **Mr Pankaj Poddar, Group CEO, of Cosmo First Limited** said, “As pioneers of innovation, we have engineered high-quality and sustainable products to meet the evolving needs of our clients. Such events hold immense significance, as it offers us a platform to engage with customers and industry leaders in these regions and widen our consumer base. This underscores our commitment to delivering industry-first and environmentally conscious solutions to our esteemed clientele.”

Cosmo Films will showcase its extensive range of speciality packaging, label, lamination, synthetic paper, promotional films and industrial films along with Cosmo Plastech (Rigid Containers) and Cosmo Sunshield (Window Films) for various applications in these exhibitions. During the exhibition, Cosmo Films' team of professionals will be present to discuss personalized packaging alternatives and address inquiries from visitors and delegates. The company aims to leverage these exhibitions to foster new collaborations and partnerships, exchange industry knowledge, and gain a deeper understanding of customers' requirements to deliver the most effective and innovative packaging solutions. With a strong focus on innovation, quality, and sustainability, Cosmo Films has emerged as a preferred partner for several leading brands across the globe.

About Cosmo Films:

Cosmo Films is a global leader in speciality films for packaging, lamination, labelling and synthetic paper. With the engineering of innovative products and sustainability solutions, Cosmo Films over the years has been partnering with the world's leading F&B and personal care brands and packaging & printing converters to enhance the end consumer experience. With manufacturing units in India & Korea and warehousing in different parts of the world, the company has been at the forefront of developing customer-centric solutions to deliver the finest product and service experience, backed by innovation, people, and processes.

About Cosmo First Limited:

Founded in 1981 by Mr. Ashok Jaipuria, Cosmo First today has a presence across 100+ countries around the globe. Cosmo First is a global leader in speciality films and an emerging player in speciality chemicals (Masterbatches, Adhesive, Coating & Textile chemicals) along with the digital-first Omni channel Pet care business under the brand name 'Zigly'.

Cosmo Films Shines at National and International Exhibitions!

We're thrilled to share some exciting news from Cosmo Films! Over the past month, we've had the privilege of participating in several prestigious national and international exhibitions, and the response has been nothing short of overwhelming.

Our presence at ANUTEC in Mumbai, India, was a resounding success. This exhibition provided a platform to showcase our cutting-edge innovations and solutions in the food packaging industry. We had the opportunity to engage with industry experts, exchange ideas, and explore collaborative opportunities.

At Label Expo in Brussels, we showcased our expertise in label films and self-adhesive label materials. This international event allowed us to connect with a global audience and demonstrate our commitment to delivering top-quality label solutions.

Our journey continued to the United States, where we participated in the Pack Expo in Las Vegas. This event was a fantastic opportunity to present our flexible packaging solutions to a diverse and dynamic market, further establishing Cosmo Films as a trusted global partner.

Back on home turf, we participated in IICE in Kolkata, India. This regional event strengthened our relationships with local partners and customers while showcasing our comprehensive range of packaging films.

We extend our heartfelt gratitude to everyone who visited our booths and engaged with us during these exhibitions. Your interest and support are invaluable to us, and they drive us to innovate and deliver excellence continually.

Stay tuned for more updates and insights from Cosmo Films as we continue to lead in the world of packaging solutions. Thank you for being a part of our journey!

Unlocking the Versatility of DTP Films

Printing is an essential aspect of our society as it enables us to exchange information and gain knowledge about products. DTP Films play a significant role in this industry. They are made of a BOPP-based film that has a unique coating called Active and a protective top layer. These films are resistant to water, humidity, and oil, making them ideal for creating long-lasting and visually appealing prints.

Ideal for tagging, labeling, and diverse printing needs, including UV and water-based flexo printing.

The active coating layer creates striking impressions.

Offers visually delightful, long-lasting prints.

Cosmo DTP Films are available in roll form for ease of use.

DTP Films reveals its magic through various printing methods.

Cosmo DTP Films excels in countless applications, from baggage tags to food labels, barcode printing to e-commerce labels.

Connect with Cosmo Films today to harness the power of this versatile printing marvel.

Cosmo PET-G Films: Revolutionizing Packaging & Beyond!

Cosmo PET-G Films is a versatile and adaptable material that belongs to the polyester family. They are infused with glycol and have unique chemical properties, making them an industrial powerhouse in the packaging industry.

Why Opt for Cosmo PET-G Films?

A World of Applications: Where Cosmo PET-G Films Excel

Cosmo PET-G Films are versatile and used in various industries. They withstand heat, cold, abrasion, and solvents, making them ideal for protective components, containers, and packaging.

At Cosmo Film, we are dedicated to delivering excellence through our Cosmo PET-G Films, and we are eager to serve you with the very best! Get in touch with us now to embark on a packaging journey like no other.

Maximizing Convenience with Our Upgraded Customer Portal

At Cosmo Films, our dedication to delivering exceptional service is unwavering. We constantly strive to enhance your experience and are excited to introduce the latest improvements to our Customer Portal. These enhancements simplify your interactions with us and offer you a more enriching experience.

Streamlined Order Management

Our enhanced Customer Portal allows you to create conveniently and clone orders online. Say goodbye to time-consuming processes, as our user-friendly system allows for quick order processing with just a few clicks. We've made it easier than ever to manage your orders efficiently.

Instant Access to Vital Documents

Accessing essential documents is now a breeze. In our Customer Portal, you can instantly download invoices, packing lists, and credit notes directly from your account. This feature ensures you have the documents you need whenever you need them.

Stay Informed with Real-Time Tracking

Keep tabs on your orders with ease. Our Customer Portal offers real-time status updates on all pending orders, giving you insights into delivery and shipping statuses for different quantities. Stay informed every step of the way.

Data-Driven Decision Making

Make informed decisions and optimize your ordering processes with our interactive reports and analytics. Our

Customer Portal empowers you with the tools to plan effectively and manage your accounts effortlessly.

Effortless Account Management

Access and manage multiple account details, locations, and orders—all from one convenient location within our Customer Portal. We've streamlined the process so you can efficiently oversee everything simultaneously.

Swift Complaint Resolution

Your feedback matters, and we're committed to addressing your concerns promptly. With our Customer Portal, you can quickly raise complaints directly through the platform. Our dedicated team will ensure a smooth process for resolution.

Your time is valuable; these enhancements are designed to simplify your interactions with us. We aim to provide you with a seamless and efficient experience, and these improvements will significantly contribute to achieving that goal.

To start benefiting from these features, log in to your account on our Customer Portal. If you have any questions or need assistance, our dedicated support team is here to guide you every step of the way.

Thank you for choosing Cosmo Films as your preferred partner. We remain committed to enhancing your experience and delivering the best possible service. We eagerly anticipate your continued engagement with our Customer Portal.
